SUBJECT INDEX
Volume 16

A

Adolescence
  pregnancy in
    and effects of prepared childbirth, 207
    from incest, 99, 226
    and peer group reality program, 273
    specialized prenatal program for, 422
  preparations for menstruation in, 367
Adolescent mothers
  ability to take and read infant temperature, 281
  and infant health affected by nursing interventions, 280
Age, and exercise program for urinary stress incontinence, 266
Alcoholism, and attitudes of nurses toward fetal alcohol syndrome, 361
Alpha-fetoprotein levels, in neural tube defects, 105
Amniocentesis, in neural tube defects, 105
Anencephaly, prenatal detection of, 105
Anticonvulsants in pregnancy, affecting infant, 22, 279, 321
Anxiety, affecting labor, 439
Apnea in premature infants, arousal response in, 204

B

Bilirubin levels in neonates, assessment in home visits, 355
Bone density measurements after age 50, 275
Book reviews
  A-Z of Women's Health (Llewellyn-Jones), 442
  From Proposal to Publication (Tornquist), 209
  Health Education for Women: A Guide for Nurses and Other Health Professionals (Littlefield), 443
  High-Risk Neonatal Care (Streeter), 210
  Midwifery Revision: Objective and Other Tests for Students of Midwifery and Obstetrics, 3rd ed. (Roch), 441
  Nursing Management of Uncomplicated and Complicated Births (Keller-Bronte), 209
  Pain of Premature Parents: A Psychological Guide for Coping (Hynan & Leslie-Hynan), 442
  Perinatal Nursing: Care of the High Risk Mother and Infant (Ouimette), 210
  Psychosocial Dimensions of the Pregnant Family (Sherwen), 441
Bradycardia, fetal, in second-stage labor, 438
Brazil, perinatal health care in, 238
Breast
  postpartum engorgement of, relief of pain in, 360
  stimulation for contraction stress test, 121
    two methods compared, 253
Breastfeeding
  attitudes in low-income women, 359
  factors affecting decisions for, 206
  infant formula samples affecting, 86
  and milk maturation rate, 208
  minimal, 87
  and nutritional needs of physically active women, 363
  and perceptions of competence for infant care, 185
  and transcutaneous oxygen pressure in preterm infants, 438
Burnout in neonatal intensive care nurses, antecedents of, 283

C

Calcium intake in young women, and osteoporosis risk, 301
Catheters, intravenous
  for drug therapy in premature infants, 310
  percutaneous central, for neonates, 364
Cesarean delivery
  antenatal education for, 61
  and maternal attachment behavior, 366
  and postpartum changes in subjective time, 366
Chlamydia infection, 17
Circumcision of newborn, 42, 88, 158
Computer use in nursing research projects, 439
Condylomata acuminata, 17
Contraction stress test, breast stimulation for, 121
  two methods compared, 253
Cost data
  for certified nurse-midwife perinatal services, 362
  for early postpartum discharge of low-income women, 282
Counseling, in adolescent pregnancy from incest, 99

D

Death of fetus, and heart rate monitoring, 249
Diet. *See* Nutrition
Discharge from hospital, early
  and changes in subjective times, 366
  and costs for low-income women, 282
  and outcomes of primiparas, 230

E

Ectopic pregnancy, 36
Editorial, 155
Educational programs
  and adolescent perinatal outcomes, 422
  for cesarean birth, 61
  for expectant grandparents, 26
  for prepared childbirth
    in hospitalized high-risk clients, 418
    impact of, 207
    in single adolescent mothers, 207
Employed women
  major concerns of, 281
  and promotion of well-being in mothers, 276
Encephalocele, prenatal detection of, 105
Epilepsy in pregnancy
  current controversies in, 321
  and pregnancy outcome, 279
  and teratogenicity of valproic acid, 22
Estrogen therapy, and postmenopausal bone loss, 365
Exercise
  and postmenopausal bone loss, 365
  in pregnancy, 364
  nutritional needs in, 363
  program in urinary stress incontinence, age affecting, 266

F

Families
  adolescent mothers in
    ability to take and read infant temperatures, 281
    and infant health affected by nursing interventions, 280
  concerns of multiparas in postpartum period, 195
  expectant grandparents class, 26
  experiences of spouses during pregnancy and postpartum period, 278
  maternal attachment behavior in
    after cesarean delivery, 366
    and ambivalence toward impending motherhood, 362
    with premature and full-term infants, 275
    prenatal, and postdelivery behavior, 430
  perceptions of competence for infant care, 185

neonatal
nosocomial, in premature infants, 360
and rituals in nurseries, 411
trends in, 404
streptococcus group B, 91
Infertility
conceptual framework for, 30
and luteinized unruptured follicle syndrome, 116
Intensive care
neonatal
and antecedents of burnout in nurses, 283
in fetal alcohol syndrome, attitudes affecting, 361
and nursing research in clinical setting, 439
and rituals in infection control, 411
in perinatal unit, patient classification system for, 330
Intubation, and management of infants with intraoral appliance, 23

J

Jaundice, neonatal, assessment in home visits, 355

L

Labor
anxiety in, 439
bearing-down reflex in, 48
fetal bradycardia in, 438
nursing support in, 126
pain in
and disclosure of management methods by midwives, 258
parity affecting, 340
vacuum extraction in, 242
Lactation. *See* Breastfeeding
Lesbian population, health-care needs of, 274
Letters, 22, 86, 158, 226, 298, 384
Liver enzymes, in pregnancy-induced hypertension, 395
Low-birth-weight infants, research program for, 278
Luteinized unruptured follicle syndrome, 116

M

Massachusetts, regionalization of perinatal health care in, 274
Meningocele, prenatal detection of, 105
Menopause, osteoporosis in. *See* Osteoporosis
Menstruation
perceptions among adolescent females, 367
and premenstrual syndrome
self-care practices in, 363
support groups affecting, 174, 384
Midwives
cost data for certified nurse midwife perinatal services, 362
dislosure of pain management methods, 258
Motherhood. *See* Families
Mouth care for infants with intraoral appliance, 23

N

NAACOG Research Conference, abstracts of, 204
Neural tube defects, prenatal detection of, 105
Newborn
circumcision of, 42, 88, 158
infections in
nosocomial, in premature infants, 360
and rituals in nurseries, 411
streptococcal group B, 91
trends in, 404
intensive care for
and antecedents of burnout in nurses, 283
in fetal alcohol syndrome, attitudes affecting, 361
and nursing research in clinical setting, 439
jaundice assessment in home visits, 355
management of infant with intraoral appliance, 23
pain assessment and management in, 387
percutaneous central venous catheters for, 364
temperature affected by headcoverings, 206
Nurse midwife perinatal services, cost effectiveness of, 362
Nurse practitioners in gynecologic screening program, 160
Nurses
in neonatal intensive care, antecedents of burnout in, 283
recruitment of, 155
Nursing care
in fetal alcohol syndrome, attitudes affecting, 361
for infant with intraoral appliance, 23
in intravenous drug therapy for premature infants, 310
in labor, 126
Nutrition
and calcium intake in young women, 301
in physically active pregnant women, 363

O

Orotracheal and orogastric intubation, and management of infant with intraoral appliance, 23
Osteoporosis
and bone density measurements, 275
and calcium intake in young women, 301
and effects of exercise and estrogen therapy on postmenopausal bone loss, 365
Ovulation, and luteinized unruptured follicle syndrome, 116
Oxygen pressure, transcutaneous, in breastfed and bottle-fed preterm infants, 438

P

Pain
in labor
and disclosure practices of midwives, 258
parity affecting, 340
neonatal, assessment and treatment of, 387
in postpartum breast engorgement, relief of, 360
Parents. *See* Families
